Packing Checklist

Below is a list of required, recommended and optional items to bring on your Wild Women Expeditions adventure. This list is provided as a guideline and is not exhaustive, nor do you need to bring everything on it (unless it is *required*). Think about how you travel and what works best for you. If you know you'll never wear or use a particular item on this list, don't worry about it!

Luggage Logistics: Checked luggage can get lost or delayed on the way to any destination. Prepare for this possibility by wearing items that are essential to your Wild Women Expeditions adventure. In your carry-on, pack a light jacket, change of clothes, snacks, toiletries, water bottle, medications, camera, and all paperwork. Depending on group size, luggage space in vehicles can be limited - please use a small-medium sized suitcase or duffel on rollers, and do not pack more than you can carry.

While visiting mosques and other religious monuments, please dress modestly. It's respectful to cover your shoulders and wear clothes that cover your shoulders and knees. Outside of capital cities, local dress is often more conservative.

☀️ Helpful tip: Always check the weather in your destination in the week leading up to your trip!
