

# WILD WOMEN

EXPEDITIONS

## Moab National Parks Adventure

### Packing Checklist

 **Luggage Logistics:** Checked luggage can get lost or delayed on the way to any destination. Prepare for this possibility by wearing items that are essential to your Wild Women Expeditions adventure. In your carry-on, pack a light jacket, change of clothes, snacks, toiletries, water bottle, medications, camera, and all paperwork. Depending on group size, luggage space in vehicles can be limited. Please use a small to medium-sized suitcase or duffel on rollers. Our best advice? Don't pack more than you can carry!

 **Hot tip:** Always check the weather in your destination in the week leading up to your trip!

Below is a list of required, recommended and optional items to bring on your Wild Women Expeditions adventure. This list is provided as a guideline and is not exhaustive, nor do you need to bring everything on it (unless it is *required*). Think about how you travel and what works best for you. If you know you'll never wear or use a particular item on this list, don't worry about it!

### Required Items

- Main luggage: suggested small to medium sized suitcase with rollers (soft or hard sided is fine), or travel duffel with rollers; travel backpacks are fine too (40-60L), but keep in mind that you need to carry this along with your day pack in the airport and from vehicles to your accommodation
- Daypack: Recommended size: 10-20L. Your pack should have room for a water bottle, rain jacket, sunblock, camera/phone and personal items
- Hiking shoes/trail runners
- Water shoes or sandals (such as Keen or Teva brands)
- Water bottle or CamelBak hydration system (1L size is good), whatever your preference
- Waterproof/windproof jacket

- Sunscreen, lip balm (with SPF!)
- Personal toiletries (biodegradable toiletries, etc.)
- Quick-dry towel
- Headlamp with extra batteries
- 2-3 Ziploc baggies or one small dry bag (5L) for waterproofing items or packing wet things back in your daypack/luggage

## Resources for Buying Outdoor Gear & Clothing

- Mountain Equipment Company, REI, SAIL, Atmosphere, Sportchek
- Borrow: Why buy when you can borrow from a friend?
- Thrift stores and online swap sites are also great places to find second-hand gear for a fraction of the price. Reduce, Reuse, Recycle, Rewear!
